To Whom It May Concern:

Mainland Golf Course and Our Primary Purpose, INC. are teaming up to put on the annual Golf Charity event raising money for the addiction crisis that is sweeping America. This is the 6<sup>th</sup> Annual Golf Fore Recovery tournament and is scheduled for Saturday, August 6<sup>th</sup>, 2022. We are reaching out to all those in our local communities to help to combat the addiction crisis and help support the hope we have for the recovery process. Addiction has consequences that damage the individuals' lives, loved ones close to the individual, and families involved with the individual. RECOVERY is a choice and has proven to be a successful and viable option. With great support from people in our community like yourself the proper funds can be raised to help those who are engaged in the recovery process to help meet their goals.

Our Primary Purpose is a non-profit foundation dedicated to helping individuals suffering from the disease of addiction. Our mission is to help the still sick and suffering to find freedom from active addiction through improving access to appropriate treatment, and to help provide education and support for the families affected by their loved one's addiction. We also work to help end the stigma that is often felt by those with the disease of addiction by promoting awareness and providing education to the community at large. Part of the proceeds go to an Annual Christmas Party to hand out presents to the children in the greater Pottstown Area who are directly affected by addiction in their families.

Attached is a document asking for your support in any way possible toward this great event. We are seeking out title and corporate sponsors ranging from \$1000 to \$500. We are also asking for Hole Sponsors at \$50. Gift Donations for a Silent Auction will also be accepted. Please call with concerns and questions that you might have; we would be more than happy to assist. Thank you for your consideration and contributions.

Sincerely,

Kyle G. Ruane
